To Whom It May Concern,

EcoGen Biosciences LLC, located at 543 31 Rd, Grand Junction, Colorado 81504, U.S.A., declares, for all purposes that it has produced, bottled and labeled under a contract with SCX Business Solutions, LLC dba Heilen Pharma, the following items:

Greenland Full Spectrum Tincture 1500mg

Greenland Full Spectrum Tincture 3000mg

Therefore, EcoGen Biosciences is the one and only manufacturer of the Greenland brand. We also declare that the products were sent for third-party analysis and are in the standard required for consumption.
